

§ 36.43

25 CFR Ch. I (4–1–11 Edition)

shall assist the student in developing a written academic and career plan based on ability, aptitude, and interests. Additionally, counselors will assist high school students in selecting courses which satisfy the school's and the state's graduation requirements and the student's academic and career plan. Further, seniors will be given aid in completing registration and/or financial assistance applications for either vocational or academic post-secondary institutions.

(vii) Each high school counseling program shall be required to have on file for each student a planned academic program of studies which is available from the regular course offerings of the school to meet the student's career objectives and which will show that the student has received counseling.

§ 36.43 Standard XVI—Student activities.

All schools shall provide and maintain a well-balanced student activities program based on assessment of both student and program needs. Each activity program shall help develop leadership abilities and provide opportunities for student participation but not be limited to activities that include special interest clubs, physical activities, student government, and cultural affairs. The activity program shall be an integral part of the overall educational program.

(a) All student activities shall be required to have qualified sponsors and be approved by the school supervisor, and the school board shall approve the overall activity plan. A qualified sponsor is a professional staff member of the school that is given responsibility to provide guidance or supervision for student activities.

(b) A plan of student activity operations shall be submitted, by each activity at the beginning of each school year, to the school supervisor. The plan will include the purpose, structure, coordination, and planned types of fund-raising activities.

(c) School may participate in interscholastic sports and activities on an informal or formal basis. On an informal basis, the Bureau-operated schools

will coordinate with other schools in setting up a schedule of sports and games. Schools that participate in state-recognized leagues will abide by those state rules regulating interschool competition.

(d) Until comparable competitive opportunities are provided to all students, regardless of sex, no student shall be barred from participation in interscholastic competition in noncontact sports except on the basis of individual merit.

(e) Residential schools shall plan and provide an intramural program for all students. The program shall include a variety of scholastic and sport activities.

(f) Students shall be involved only in activities which are sanctioned by the school.

(g) All student activities involved only in fund raising are required to establish a school/student activity bank account following school/student banking procedures outlined under 25 CFR 31.7. All student activity accounts shall be audited annually.

(h) The school shall provide for the safety and welfare of students participating in school-sponsored activities.

(i) Each sponsor of a student activity will be given orientation and training covering the responsibilities of a sponsor by the school supervisor.

Subpart F—Evaluation of Educational Standards

§ 36.50 Standard XVII—School program evaluation and needs assessment.

Each school shall complete a formal, formative evaluation at least once every seven (7) years beginning no later than the second complete school year following the effective date of this part. Schools shall follow state and/or regional accreditation, or accreditation requirements equal to the state in which a school is located. Each school shall follow the prescribed evaluation cycle. The primary purpose of this evaluation will be to determine the effects and quality of school programs and to improve the operations and services of the school programs.
